Hi Nathan; we requested an extension from the Corps on the Somerville mine and expect to get the letter to them next week. As you requested, attached is the Seven Hills letter which is a letter on a pre-application; the public notice has not yet been issued. I can send you a copy of the Somerville letter once it goes to the Corps. Thanks for your letter.

Hi Wendy,

I'm attaching our comments submitted yesterday to the U.S. Army Corps on behalf of the Sierra Club and Hoosier Environmental regarding the Somerville coal mine (Gibson County, IN) 404 permit application.

I am hereby requesting copies of any recent EPA Region V letters on both the Somerville Mine and Seven Hills Mine projects. Please let me know if I can clarify this request or you need any

additional information from me.

Thank you,

Nathaniel

Hi Wendy,

I appreciate you passing along these comment letters.

On Monday we'll be submitting comments to the Army Corps on the most recent proposed Somerville coal mine 404 permit application. I'm happy to share those once finished if you're interested.

If EPA Region V has commented on the current 404 permit application (or will be commenting) could you send me those comments once they are submitted?

Thanks,

Nathaniel

Hi Nathaniel. Here are the two additional letters you requested. We are currently reviewing Somerville South Amendment 3 and requested an extension of the public comment period until mid-November.
